

## Henry Male

Associate, European and UK Patent Attorney

Henry is a European and UK Patent Attorney based in our London office. His research experience prior to joining J A Kemp was in the development, application and understanding of novel catalytic methods for organic synthesis. During his PhD he had a particular interest in the functionalisation of alkenes using high-valent copper electrophiles. He is involved in the drafting, filing and prosecution of patents in all areas of chemistry.

Henry joined J A Kemp in 2017 and became an associate in 2022.
